# ABOUT US

---

Established in 2011, we have grown to become a major supplier of personal protective equipment and building materials in Doha-Qatar. We are proud to announce that we have been accredited with the world's most recognized quality management standard – ISO 9001:2015

We Trade is engaged in product research and development, manufacturing, merchandising, and quality assurance. Using our sector knowledge and global supply base, we were able to become a preferred partner for leading companies and clients.

# MISSION

---

Committing to excellence through delivering high level of services that aim at underpinning our professionalism and reliability to achieve customer recognition and stakeholder satisfaction.

# VISION

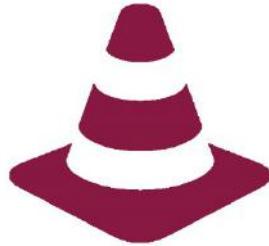

---

To become the leading supplier of construction and safety materials in the region by consistently delivering superior returns to our stakeholders.
